PROFESSIONAL EXPERIENCE

Assistant Project Manager — TechSolutions Pvt. Ltd. | Pune | 2024–2026

- Planned project schedules, milestones, deliverables and resource requirements.
- Coordinated cross-functional development, testing and design teams.
- Managed Agile/Scrum ceremonies including sprint planning, daily stand-ups and reviews.
- Tracked project progress and tasks using Jira and prepared status reports in Excel.
- Identified project risks, maintained risk registers and supported mitigation planning.
- Communicated project status, issues and timelines to clients and internal stakeholders.

PROJECTS

Resume Screening System

Worked on a Python-based resume screening application using Natural Language Processing, TF-IDF vectorization and cosine similarity to compare resumes with job descriptions.

Agile Project Tracking Portal

Coordinated requirements, sprint planning, task tracking and team communication for a web-based project management portal.
